

What is CAP?

CAP partners demonstrate their commitment to changing the lives of those with special needs through their generous support of riders and therapy horses. Through annual contributions of funds or services, CAP members can choose to help bring hope and opportunity to riders with special needs, who may struggle with financial hardships, to experience the challenges and rewards of equine assisted services or ensure the highest quality of care for one of CTRC's noble therapy horses, who's service is irreplaceable to CTRC's mission.
