## the gala

This promises to be a night to remember! 2019 is our 39th anniversary serving the community through the power of the equine. The steady footfall, rhythmic gait and gentle eye of the horse allow for unique therapeutic experience.

Join us for a night to celebrate the life changing partnership with the equine! The Spirit of the Horse Gala, April 27th, 2019 will be a delightful evening of dinner, dancing, games, entertaining and much more! Come support the harmonious empowering relationships that are built between horse and rider at CTRC! It will be an evening sure to entice!

## about the Colorado Therapeutic Riding Center

The mission of the Colorado Therapeutic Riding Center (CTRC) is to change the lives of people with disabilities by promoting their physical, psychological, and social well being through equine assisted activities. The oldest and largest therapeutic riding center in Colorado and among the largest in the nation, CTRC started in a park in 1980. Now nearly four decades later, CTRC's Equine Assisted Activities and Therapies (EAAT) programs serve over 600 special needs individuals each year.
