

Your Fast-Pass to **VOLUNTEERING AT CTRC!**

Verified Volunteers is the only background check platform tailored to the specific needs of the service sector and the first online community to mobilize repeat, vetted volunteers. Verified Volunteers is backed by SterlingBackcheck, one of the world's largest background screening companies, and partnered with Points of Light, the world's largest organization dedicated to volunteer service.

It's fast, easy, and completely online

With Verified Volunteers, there is no need to fill out loads of paperwork. You are just four quick steps – and less than five minutes – away from ordering your background check.

Once you've placed an order, you are a Verified Volunteer. Log in to your account at any time, from anywhere, for any purpose. Your background check is completed in hours or days, so you are ready to begin serving faster.

And it's secure. Verified Volunteers follows best practices in data security. All your personal information is kept private - and safe.

It makes volunteering with multiple organizations easy.

Get screened once and share with as many organizations on the Verified Volunteers platform as you'd like. You can eliminate the need to endure the screening process over and over again – and accelerate your onboarding process at new volunteer programs.

Sharing is a no-brainer. Simply create a profile, search for and view participating organizations in your area, choose those that interest you, and click "Connect".

As a member, you'll be able to access all the information you need at the click of a button – where you have shared, your current status and more.

As part of your volunteer application process with Colorado Therapeutic Riding Center, we need you to complete a quick background check prior to volunteering. Volunteers must complete a background screening either online at or by asking the Volunteer Coordinator for assistance with the screening. *Volunteers under 18 years of age do not need to complete a background check.

The fee of the background screening includes a Level 2 screening plus applicable state fees. Verified Volunteers will accept payment through their online payment portal. If covering the cost of the background screening is a hindrance to your volunteering please speak with CTRC's Volunteer Coordinator about aid options.

A background screening is valid for one year. Volunteers will be asked to renew their background screening yearly to keep their volunteering status as active.

We appreciate your cooperation and support of CTRC's background screening program. Please contact CTRC's Volunteer Coordinator at volunteer@ctrcinc.org or call 303-652-9131 with any questions.
